SUMMARY

Motivated data enthusiast pursuing a degree in Computer Science with strong skills in SQL, Excel, and Python for data analysis, manipulation, and reporting. Experienced in handling large datasets, statistical modeling, and creating data visualizations using tools like Tableau or Power BI. Demonstrates excellent analytical, problem-solving, and communication abilities, with a keen eye for detail and a commitment to data integrity and quality. Adept at collaborating with teams, managing multiple projects efficiently, and contributing to data-driven strategies. Eager to support your team in transforming raw data into actionable insights.

TECHNICAL SKILLS

Programming Languages: Python, C, Java

Libraries & Tools: NumPy, Pandas, Matplotlib

Database:SQL

Web FrameWorks:ReactJS

PROJECTS

Diabetic Retinopathy Detection   Jan 2024 – Mar 2024
Machine Learning Project   *Python, CNN, OpenCV*
- Developed an end-to-end system for detection of diabetic retinopathy
- Utilized CNN and LSTM models for image feature extraction and augmentation

Crypto Currency Exchange Platform   Aug 2023
ReactJS   *HTML, CSS, JS, ReactJS*
- Developed a user friendly webpage for the purpose of exchanging different types of crypto currencies like bitcoin, ethereum etc.. I have worked as a code developer in this project where I have worked on the frontend part using HTML, CSS, JS, ReactJS, throughout this project I have gained a lot of experience in web development.

EXPERIENCE

Data Science Intern   Apr 2023 – May 2023
Oasis Infobyte   *Bangalore, India*
- Utilised different kinds of algorithms like scikit learn,pandas to analyze different datasets like the Iris, Car etc... to find insights

AWS Data Analytics Intern   Dec 2022-Feb 2023
Aicte, Eduskills   *India*
- Learnt different types of data analytical skills like data cleaning, wrangling, that would be helpful for me to become a data analyst in a top MNC.

WORKSHOPS

- Mobile App Development Workshop- Brainovision solutions
- MongoDB Workshop- Codetantra
- Firebase with web development- Brainovision Solutions
- Data Science Technologies- Hackboats

EDUCATION

Kits Engineering College
B. Tech. in Computer Science, Data Science CGPA-8.26

Guntur, AP, India
2021 – 2025

Bhashyam Junior College, Guntur
Intermediate in MPC 961/1000

Guntur, AP, India
2019 – 2021

Bhashyam High School, Guntur
SSC GPA-10/10

Guntur, AP, India
2018 – 2019

CERTIFICATIONS

• Google Data Analytics professional certificate

• Hackerrank Sql

• Hackerrank Python

• Microsoft Azure AI Fundamentals

DECLARATION

I here by declare that all my details provided are correct as per my knowledge.
